Quality Training for Quality Care

Please login with the username and password assigned by your manager to access your training.

Quick Tips for Learners

Once you are logged in on the Training Tab, click the green LAUNCH to begin your assignments.

If you need to stop a course part way through, we recommend that you close the course and log out.

Your location will be saved automatically so you can pick up where you left off.

Please do not leave your course open on your computer if you are not actively taking a course.

Computer Requirements

Courses contain both audio and video - you will need speakers or headphones to listen to the narration, which is an important part of the course.

[Adobe Acrobat](#) and [Flash Player](#) are required to take the courses.

We recommend using a computer or laptop and [Chrome](#) or [Firefox](#) web browsers.

To get started login and click LAUNCH!
